PROFILE

Muhamad Arif, a 23-year-old 5th-semester student at Universitas Gunadarma, is currently pursuing a degree in Computer Science. Over the past year, **I have demonstrated a strong blend of hardskills and softskills** through diverse activities, particularly in the field of **UI/UX design**. I have participated in **five UI/UX competitions**, securing a **win in one** of them. My expertise spans various areas, showcasing my proficiency in tools such as **Figma**, specifically for **web and mobile UI design**. My ability to effectively utilize my skills in both academic and practical settings highlights my dedication and capability in my field.

EDUCATION LEVEL

Undergraduate Informatics, Universitas Gunadarma

Sep 2022 - Present

GPA: 3.55 / 4.00
